The following bulletin is by HIVinfo.

Resources are available for displaced people with HIV and the health care professionals who support them.

For people with HIV: A [Getting Displaced With HIV](#) fact sheet offers resources to help people with HIV maintain ongoing HIV care before and during disasters.

For health care professionals: [Guidance for People With HIV Displaced by Disasters](#) provides health care professionals with support for attending to the medical needs of adults and children with HIV who are experiencing displacement.

For additional assistance, health information specialists provide customized, confidential answers to questions about HIV by phone at 1-800-448-0440, Monday to Friday, 1:00 p.m. to 4:00 p.m. Eastern Time, or via email at HIVinfo@nih.gov.

The National Institutes of Health (NIH) Office of AIDS Research welcomes feedback to make these resources most helpful. Send any comments with the subject line “Disaster Guidance” to HIVinfo@NIH.gov.
