

Healthy Recipe: Peach & Arugula Salad

Arugula, a cruciferous vegetable, contains indole-3-carbinol and sulfur compounds, which help protect against some types of cancers.

I'm not normally a huge fan of fruit in salads, but this bit of summer deliciousness is an exception. Peach and Arugula salad brings the peppery bitterness of [cruciferous arugula](#) and the sweetness of ripe peaches together in a match made in heaven. Throw in the salty tang of feta, and you have an easy salad that's truly special.

12 ingredients

Ingredients

Summer Vinaigrette

1 clove of garlic, smashed and cut in half (optional)

1 tablespoon white wine vinegar

Pinch of sea salt

2 tablespoons extra virgin olive oil

1 tablespoon water

1 tablespoon of mint cut into a chiffonade

2 tablespoons basil leaves cut into a chiffonade

Salad

2 teaspoons minced shallot or red onion

1 large peach, diced

5 ounce box pre-washed baby arugula (See Chef Tips below)

? cup feta cheese

¼ roughly chopped roasted pistachios

Directions

- In a large serving bowl whisk the Summer Vinaigrette with the minced shallot. Add in the diced peaches.
- Top the dressed peaches with the arugula, feta and pistachios. Just before serving, toss to combine.

Chef Tips

A 5 ounce box of baby arugula = about 7 loosely packed cups.

I always wash 'pre-washed' greens a second time to be on the safe side.
