

ViiV Awards \$6M Through Positive Action for Children Fund

November 16, 2012

ViiV Healthcare has given about \$6 million to 99 projects in 26 countries to improve the health of women, children and families affected by HIV, according to a ViiV statement. The support is distributed through its Positive Action for Children Fund (PACF), which has awarded about \$21 million from 2010 to 2012 supporting 122 grantees. PACF has awarded 15 new large grants to the prevention of mother-to-child transmission of HIV.
